**Working together
to enrich today's
families, we want
what's best for
children.**

It's about belonging

Our programs cultivate authentic, caring relationships and connections to create a sense of belonging among and between children, adults and the world around them.

It's about well-being

We believe that every child is developing a sense of self, health and well-being. Our programs nurture children's healthy development and support their growing sense of self.

It's about expression

Every child is a capable communicator who expresses themselves in many ways. We foster communication and expression in all forms.

15

It's about engagement

We value engagement in all forms. Our programs provide environments and experiences to engage children in active, creative and meaningful exploration, play and inquiry.

21

Nurturing children and youth, strengthening families and creating communities, we envision that all children have the opportunity to experience the joy of learning. All children should have the right to play. Play is how learning happens.

**Today's Family
values caring,
collaboration,
accountability,
and innovation.**

We care

It is the essence of who we are.

We care for the children who take part in our programs, for their families, for our staff and providers, and for our environment.

We collaborate

On our own we can teach, help and care for the children in our midst. Together, with other organizations, we can help to make change and chart new directions for all children.

31

We are accountable

Our primary accountability is to the children and families we serve. It is our job to make sure they are nurtured and respected.

We innovate

We are creative
and try new
things.

We
embrace
change and
do things
differently.
